ARTIFICIAL INTELLIGENCE AND INTELLIGENT SYSTEMS ENGINEERING (DIAESI)****1st Application Stage 2026/2027**

On the 2nd of July of 2026, a technical outage prevented the electronic submission of applications for the Doctoral Programme in Artificial Intelligence and Intelligent Systems Engineering, for reasons unrelated to ISEP's normal operations.

- the technical unavailability is also beyond the control of the applicants, and so they cannot be held responsible for any failure to meet the initially set deadline;
- the need to safeguard the principles of equality, good administration, proportionality, and the protection of the applicants' legitimate expectations.

The President of the Instituto Superior de Engenharia do Porto, Professor Roque Brandão, hereby establishes:
